Subject: Notice of Waiver to SRSG participants and Relevant Parties

To: SRSG Executive Committee

Effective June 23, 2017 the SRSG is participating in the WECC Field Test for waiving the enforcement of BAL-002-WECC2a, Requirement 2. NERC has approved a temporary waiver of BAL-002-WECC-2, Requirement 2 to registered entities in the Western Interconnection participating in the field test to assess the reliability impacts of the retirement of BAL-002-WECC-2, Requirement R2.

To fully participate in the Field Test, effective 8/8/2017, the SRSG and each party to the SRSG hereby waive penalties or defaults associated with the SRSG Operating Reserve – Spinning Requirement found in the Participation Agreement Service Schedule A Sections A-5, A-7.2 and A-8.1 based on the NERC Temporary Waiver of BAL-002-WECC2a, Requirement 2. The penalties associated with the SRSG Contingency Reserve Requirement found in the Participation Agreement Service Schedule A Sections A-4, A-7.1 and A-8.1 will remain in effect during the Field Test.
